All contestants must check in prior to shooting both Saturday and Sunday, preferably prior to the official starting time. No check in = no weigh in.
- ALL CONTESTANTS MUST HAVE A VALID STATE OF MICHIGAN FISHING LICENSE IN THEIR POSSESSION.**
- SHOOTING TIME:** Shooting hours are from 8:00 a.m. to 5:00 p.m. on Saturday and 7:00 a.m. to 2:00 p.m. on Sunday. All teams must be in the weigh-in line by the end of shooting hours. No exceptions, no leeway! The shooting of fish by tournament contestants is not permitted during the weekend outside of tournament hours.
- PRE-TOURNAMENT SHOOTING:** There will be absolutely no shooting permitted by tournament contestants in the Saginaw Bay area on the day prior to the tournament (Friday). Scouting is permitted on this day; however, contestants may not have bows or rough fish in their immediate possession.
- FLIGHTS:** All contestants must first check in at the weigh-in site prior to departing for the morning send-off. The provided team number stickers must be displayed on the boat and/or vehicle prior to departure from the check-in area. Teams will be released in random order via team number drawings each morning.
- TEAMS:** Two people per team. All phases of the tournament competition must be accomplished by only the two team members. All participants must visibly wear team badges. One exception, one (1) youth participant age 14 or under will be allowed to accompany a team of two and participate in the tournament. The youth must be registered prior to the start of the tournament.
- EQUIPMENT:** All standard and accepted bowfishing equipment may be used, including crossbows. Spears or spear fishing gear are not allowed. Fishing arrows must be attached to a line fed from a reel or spool mounted on the bow (no free-flight arrows).

- QUALIFYING FISH:** Carp, Gold Carp, Goldfish, Gar (longnose), Dogfish (bowfin) and Suckers (including buffalo & quillback) ONLY count in this event. All of these rough fish will count towards total weight. Anyone with game fish or other species not legal for bowfishing in his/her possession will be disqualified. All fish must be shot while alive. Washed up dead fish will not be included in the total weight and should not be in the possession of a contestant.
- INSPECTION:** Contestants must submit to the inspection of their boat & fish whenever asked by tournament officials. If it is determined that the fish inspected is not a fresh kill, the team will be disqualified. Inspection teams will be on the water.
- EMERGENCIES:** Should a contestant's boat break down or the water become too rough to return with the boat, the contestants can accept a ride from another boat to bring their fish with them to the dock. However, at least one member of the team must present the catch to the weighmaster. Under no circumstances may either team continue to shoot while sharing the ride back.
- SUBMISSION OF THE CATCH TO THE WEIGHMASTER:** All fish must be brought to the scales prior to the end of shooting hours each day. Contestants will assist the weighmaster by placing their catch on the scales. The stated weight will be the decision of the weighmaster. The weight will be recorded on an official weigh-in slip. Each slip must be initialed by an inspector and by one member of the team. A copy will be provided to each team at that time. All fish will remain in the weighmaster's possession until all weigh-ins are completed. All fish that are shot must be turned in the same day they are shot. If you elect not to have them weighed, you must still turn in your fish and get a receipt from a staff member.
- WEIGH-IN DEADLINES:** There is NO EXCUSE for being late for the weigh in. Failure to be inside the facility gate (or end of line if longer) at the posted weigh-in deadline (5 pm Saturday, 2 pm Sunday) will result in automatic disqualification of fish for that day.

- Polygraph tests may be used to ensure fair and equal competition for the benefit of all entries.
